Learn anytime, From anywhere

Traction (2025)

303k+ lesson engagement in minutes online.

2024 User Registrations Vs Subscriptions

Lessons engagement on the platform

Secondary Education in Uganda has **6 years of Learning**. Our current traction represents the last 2 years, serving **less than 15% of students**, offering science subjects. This leaves a significant revenue gap, as we don't yet offer content for the first 4 years of learning.
